ORAK Engineering is pleased to invite you to visit us for the seventh consecutive time at the largest IT show in the world – CeBIT, Hannover (Hall 5, Stand A47), which will be held 03-08 March, 2009.

At the exhibition ORAK Engineering will present its Software Business Platform R5 for management of trade, tourism and manufacturing enterprises, for which just days ago ORAK Engineering won the Innovative Enterprise of the Year Award, which was awarded by the World Bank and the European Commission. The award was presented by the Bulgarian president Georgi Parvanov.

To schedule a meeting with us at the exhibition stand, please contact nikoleta.uzunova@orakgroup@ orakgroup.com, or use the online contact form at http://orakgroup.com/cebit
. When scheduling a meeting with us we offer sponsored by ORAK Engineering free weekly tickets for the CeBIT show and the Hannover public transportation.

ORAK Engineering has been on the Bulgarian market for 12 years and for 9 years on the international market. The company has participated in many exhibitions all over the world, such as: CeBIT-Hannover; CeBIT-Istanbul; TechWave-Las Vegas; Petroleum-Istanbul; MarGO-Ukraine; RomHotel-Bucharest; Mir Torgovli-Moscow; Gitex-Dubai, etc. , and has been awarded many national and international awards, amongst which are: a gold medal from the International Trade Fair – Plovdiv 2004/2007 and the Innovative Enterprise of the Year Award for 2008.
